PEACE PALS IN THE ROUND

The original pattern was intentionally developed by knitters of Knitting4Peace to create comforting companions for children in global areas of conflict. The current version reflects current needs, both at home and abroad. These dolls have delighted children across the United States and around the world.

Peace Pals are not to be sold or used for profit-based activity of any kind. They are intended to fulfill the mission and work of Knitting4Peace.

In our first 10 years, we served more than 100,000 individuals in communities across the United States and in countries around the world. If you would like more information about our work, please visit our website at www.knitting4peace.org.

Finished size: Peace Pals should be no more than 7” tall. This size is just right for children of all ages, and less expensive to ship than larger dolls.

Rounds 10: Knit

Rounds 11 : *Knit 1, Knit 2 together * repeat to the last 2 stitches, knit 2

Rounds 12: Knit (you should have 12 stitches)

Finishing:

1. Cut yarn and leave 10" tail – draw this tail through the 12 stitches remaining on the needle and pull together. Fasten off.
2. Using the starting tail of the face, sew a running thread through the first round of knitting that begins to form the head (the thread will be used to draw in the neck once you start to stuff the doll.) Be sure the neck is loose enough to prevent the head from flopping when stuffed.
3. Stuff the head with polyester fiberfill. Draw the neck thread in to create a neck and knot. The ends of the yarn can be sewn thru the head and then the ends of the yarn clipped off and they will just go back into the doll. Do the same for the end of the hair yarn.
4. Continue to stuff the rest of the body rather loosely so that when you go to cinch up the neck, and make the arms (and/or legs, if you're sewing legs), it will be easier to keep your sewing even. Also, this will avoid having the stuffing show through the knitting. Once the doll is stuffed, use the starting tail to sew across the feet to close the doll.
5. **For a Long Skirt:** Sew the end into the body.
For Pants: Continue to use this thread to sew up the middle of the feet and pants to define legs; back stitch about $\frac{3}{4}$ of the way to the belt in the middle of the body. Knot off the thread and sew the end into the body
6. Using the same color of yarn as used for the shirt, create arms by back stitching about $\frac{1}{2}$ inch from each side, again going from the belt up about $\frac{3}{4}$ of the shirt towards the face on each side. Again knot off the ends and draw them into the body.
7. Add any creative touches to make your Peace Pal unique.

Bless your completed project with a hug and your love. It will provide comfort, healing, and hope for the recipient.

Your compassion and love are as important as the work of your hands in “knitting together” the Beloved Community. Our work is only possible because of financial support from people like you. If you can, please consider including a donation of any size with your shipment of items. Every gift makes a difference!
